SUSAN AND MICHAEL HORT'S PICKS FROM MIAMI ART WEEK 2015

By Artspace Editors

The dynamic collecting and philanthropic duo that is Susan and Michael Hort is back with more picks, from Miami's annual Art Week. These paintings, many of them by younger artists, are must-sees at Art Basel Miami Beach, NADA Miami, and Untitled. Enjoy!

Karma

These works are small, very painterly gems that tell a twisted narrative. They're also new to us, which we love.
